

MOODY FIELD
VALDOSTA GA

you are going we broke through the storm just about ten minutes before we were to pass over Pikes Peak, although it wasn't the highest peak we

passed over I would have been disappointed if I hadn't seen it.

Those were some pictures of Jack and I they printed in the paper. I don't know where they got hold of them, they are the little passport picture we had taken for our Pilots Identification Cards. ~~and~~
and there's another thing, will you please call the day and ask them who in hell ~~they~~ cares whether mo Moody field has — a Birthday or two, for all of me they can give ~~them~~ back to the Indians (If you could make them take it).

Will you thank Grandma & Aunt Nell for the Mass Cards for Me. I can use them.

That's about all for now, I'll write again ~~if I can find ^{some} thing to write about~~ as soon as I Love Charlie
